**REPLY TO INTERVIEW SUMMARY DATED DECEMBER 27, 2007**

---

Dear Sir:

Applicants' representative thanks Examiner Homayounmehr for the telephonic interview of December 19, 2007 with Larry M. Kasoff, where Claim 2 and the associated rejection were discussed. Applicants' representative contented that Sanmugam does not teach or suggest "monitoring said registration process for registration communications emitting from a third device; completing said registration process if no said registration communications emitting from a third device is detected; *and not completing said registration process if registration communications from a third device are detected,*" as recited in now canceled claim 2. No agreement was reached.

No fee is believed to be due but in the event any fees are due in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [MSFTP733US].

Respectfully submitted,
